

# Our Cash Cancer Plan is All About Your Freedom to Choose!

**“It won’t  
happen  
to me.”**

Did you know cancer can strike anyone, at anytime regardless of age or circumstances? Often without prior warning or symptoms. You probably know someone who has had cancer.

**UA** *United American  
Insurance Company*  
Since 1947

## Here are the Facts:

Approximately 39.5% of men and women will be diagnosed with cancer at some point during their lifetime.<sup>1</sup>

It is projected that the number of new cancer cases diagnosed each year in the United States will almost double by 2035.<sup>2</sup>

Cancer survivors were 2.7 times more likely to file for bankruptcy than individuals without a cancer history.<sup>3</sup>

More people are surviving cancer than ever before because of modern medical technology and treatments. Care can be expensive, and surviving a cancer diagnosis can create a serious financial hardship.

## UA's First Diagnosis Cash Benefit Cancer Policy can help.

Here's how it works: the first time a covered person is diagnosed with a covered cancer, the policy pays up to \$50,000 cash, one time, to use as you see fit<sup>†</sup>. That's it!

## You may be able to:

- Replace lost income while unable to work
- Offset cancer treatment costs not covered by health insurance
- Pay for transportation to and from treatments
- Provide hotels and meals for your family so they can be close to you
- Or use it to take a vacation

## Here's the best part!

- No hospitalization required — you don't need to have treatment to collect
- No physical exam required to apply
- Only health of applicant considered — family history not an issue
- Pays in addition to all other insurance (even government or VA facility)
- Money is paid directly to you and you decide how it's spent

## More things you should know:

- Issue ages 0-69<sup>♦</sup>
- Individual, single parent, and family plans
- Premiums will not increase with age — only on a class basis by state
- Guaranteed renewable until covered person's one-time cash benefit is paid
- Benefit paid upon written satisfactory proof of first-time diagnosis of cancer while policy is in force.
